Grade A Showjumpers and Advanced Eventers are not eligible to compete in Working Hunter Classes. Any horse which has qualified as a Grade A Show Jumper or Advanced Event Horse as at 1st January 2005 is not eligible to compete in Working Hunter classes. To be judged 60% for jumping performance, 40% as for Hunter Classes. The jumping to be judged 40% for actual jumping and 20% style and presence. Ride and conformation 40%. Fences to be a minimum of 8 and a maximum of 12 in number and a maximum height of 3'9" at the discretion of the Judges. Fences should have a natural appearance and not be easily dislodged. No un-numbered obstacle can be included on the course. The manner of going to be taken into account. No change of rider or tack will be allowed (unless a horse is ridden under side-saddle, riding phase only). A rider can ride up to two horses in the jumping phase but then must select only one horse forward into the ride and conformation section if so required (no change of rider is allowed). A skull cap or hard hat with safety harness according to the current approved BSI or European Standard must be worn by ALL competitors during the jumping phase of Working Hunter Classes. Skull caps must have navy blue or black covers. Horses may be equipped with boots of a plain colour in the jumping phase only. **Rigid or weighted hind boots are not allowed.** On completion of the jumping phase all clear rounds and any other horses the Judge may require should be asked to

return to the ring. If a horse positively stops, ceases to go forwards at any time during its jumping round, or turns its quarters to a fence, or has a complete turnaround these constitute refusals. If a horse jumps the incorrect fence out of a pen or lane it will be eliminated.
