

## EXHIBITION RULES

1. **Conditions of entry** - the object of the Society in offering prizes for neat livestock is to promote improvements in the breeding of stock. Judges will be instructed to disqualify all animals exhibited as store stock if, in their opinion, such animals are over fed for breeding purposes. Where animals are adjudged to be of equal merit, preference will be given to purebred animals.
2. **Ownership of animals** - every exhibit must be the bona fide property of the exhibitor at the time of entry.
3. **Entries to be made in writing** - forms of entry for the various classes will be found in the appropriate schedule. Other written entries will be accepted provided that all the information required is given. All entries must be signed and forwarded to the Secretary by the closing date for the class. No extension of closing dates will be permitted. The fees and closing dates for the classes are found in the schedules.
4. **Correctness of Entries** - every Exhibitor shall be held responsible for the correctness of his or her entry. If when called upon to prove its correctness the exhibitor fails to do so, the entry may not be accepted, cancelled if already accepted, or the exhibit may be disqualified.
5. **Entries from minors** - entries from persons under 18 years of age shall only be accepted where the entry has been countersigned by the exhibitor's parent, trustee or guardian, who shall be held responsible for the correctness of the entry and for compliance with the regulations of the show. Any entry made in contravention of this rule and inadvertently accepted may be cancelled.
6. **Judges interest in entries** - Exhibitors are particularly requested to note the name of the judge appointed for all classes which they wish to enter and are advised in the interests of all concerned not to knowingly enter an animal which has been owned or bred by the judge. Where the judge has a continuing business or financial relationship with an exhibitor he/she should not judge an animal entered by that exhibitor whether or not the animal concerned forms part of that business relationship. Where the judge has had a past financial or breeding interest in an animal he/she should not judge it. In such cases the Ring Steward in conjunction with the Chief Steward will make arrangements for the exhibit to be finally placed by another judge.
7. **Substitution of Judges** - the Committee reserve the right in their absolute discretion to change the identity of the judge for any classes from the one previously announced.
8. **Entries not accepted** - the Society may in their absolute discretion refuse to accept any entry, the entry will be returned along with any fee and no correspondence will be entered into with regard to the non-acceptance.
9. **Number of entries** - any number of entries may be made, unless otherwise stated in the class schedule, in each class upon the payment of the appropriate fee.
10. **Nomination of exhibits** - the name of the Exhibit (except in the case of commercial sheep and cattle) together with its sex must be stated on the certificate of entry. In Horse classes it must be stated whether the exhibit is a colt, gelding, filly, mare or stallion. Substitutions are not permitted in any of the classes except in the show jumping section. In other classes only the nominated animal will be permitted to parade for judging.
11. **Age of exhibits** - Pedigree Cattle and Goat Classes, date of birth of each animal must be stated on entry. Horse and sheep the year of birth must be stated in the entry. There are no restrictions as to date of birth or date of purchase of horses competing in the show jumping classes. Exhibitors are advised to check in the class schedule for particular age requirements relating to the class in which they are exhibiting.
12. **Identification of exhibits** - Exhibits shall only be identified by the Show number corresponding to the list in the Entry Book kept by the Secretary and by no other means. This does not apply to owner's security markings or ear tags.
13. **Cancellation of Classes** - In the event of there being insufficient entries the Society reserves the right, in its absolute discretion to amalgamate or cancel classes. If the class is cancelled the entry fees will be returned. Exhibitors will be informed before the show if this is being done.
14. **Withholding Prizes** - a judge may withhold any prize or prizes if, in his/her opinion, an exhibit is of insufficient merit.
15. **Number of Prizes** - Animals competing in more than one class shall be eligible to take more than one prize.
